

**Robbed by Kern County Sheriff's Deputies  
Testimony by Alexandra Wilson**

**§ 2 – We Documented the Conditions  
of 2232 Commercial Ave. on 8–31–2015**

**August 31, 2015** – **Dilapidation** of the property was apparent: Kevin and I exercised **rights of entry** for the purpose of taking **possession** and gaining **occupancy** of the property. We walked through the open gate, then filmed and uploaded the following two videos in order to be able to prove the condition we found it in:

**Video #1 recorded and uploaded on 8-31-2015:**

<https://www.youtube.com/watch?v=3giFpOa1GdE>

**Video #2 recorded and uploaded on 9-1-2015:**

[https://www.youtube.com/watch?v=fRw08KUW2\\_k](https://www.youtube.com/watch?v=fRw08KUW2_k)

**Photos extracted from both videos:**

*Facing the front of 2232 Commercial Ave.*

*Dried grasses imposed a fire hazard to the property and neighborhood.*

*Root systems of invasive shrubs on west side of house grew toward waterlines beneath the house – see pages 50 and 51.*

*Debris and dried grasses on west side of house.*

*East side of property (front porch) as discovered.*

*First window on the right – metal panel leaning against glass.*

*Front porch, boarded up, paint chipped.*

*East side of house, brick garden filled with rocks and trash. Wooden contraption nailed to the walnut tree.*

*Facing north toward front porch.*

*Facing window directly south of walnut tree.*

*Facing rear building as first discovered. Main house to right.*

*A wooden contraption connected both buildings, serving no apparent purpose.*

*Front of rear building.*

*Behind rear building at south side of property, facing west. Dry grasses threaten wood building and fence.*

*Looking into backyard from behind rear building.*

*Looking into backyard, covered in rocks, garbage, and dried grasses.*

## Backyard:

*Southwest corner of property.*

*View from west side, facing rear building.*

*Closeup of barred window on left from above photo – glass window shattered.*

*Facing west side of rear building – old broken washing machine sitting outside.*

*Facing north toward back side of main house. Brick circular firepit buried in grasses in lower left foreground. Dried grasses imposing fire hazard to neighborhood.*

*Turning slightly westward from previous photo; concrete faucet in foreground.*

*Dried grasses imposed a fire hazard to the neighbor's property and fence.*

*Turning back toward the backyard – overgrowth and debris.*

*Stepping to the right from previous photo; debris.*

*Facing rear entrance of main house.*

*Looking slightly westward from previous photo – a wooden contraption attached to house is surrounded by debris.*

*Stepping to the left from previous photo, showing debris.*

*Stepping back from previous photo after we removed some debris.*

*Stepping forward from previous photo, as discovered.*

*Stepping forward from previous photo.*

*Turning slightly to the right from previous photo.*

*Closeup of rear side of front building, as discovered.*

## Inside the rear building:

*Front door open.*

*Turning to left (as discovered); plastic hanging from ceiling.*

*Backing up (plastic removed).*

*Same room, as discovered.*

*Insulation hanging from ceiling, hole in wall.*

*Looking toward the ground from previous photo.*

*On left side of the top photo on previous page – wooden handle  
bashed into the wall as discovered.*

*Pulling the handle from the wall, showing how previous  
occupants left the building.*

*Stepping through the door labeled "STAY OUT" shown on page 18.*

*Looking downward from previous photo, shiny metallic paper on dirty floor.*

*Looking up and to the right from the previous photo – wooden pegboard hanging from the ceiling, window painted yellow.*

*Yellow window opened.*

*Looking out window into garbage-filled yard.*

*Turning to left from window (previous page). Wooden pegboard hanging from ceiling.*

*On opposite side of wooden pegboard, facing the non-functioning meat locker doors. A second pegboard covers part of the doors.*

*Closer look at meat locker doors, as discovered.*

*In adjacent room beyond the meat locker doors, looking back toward them. Broken glass scattered across the floor.*

*Stepping slightly to the left from previous photo.*

*Looking downward and to the left from previous photo – garbage scattered.*

**Entering the main house through the front porch (see page 8):**

*A defunct washer sits in the entryway.*

*Stepping into the house, facing north toward the front of the property.*

*Facing opposite direction as previous photo, looking into the living room; old food on the floor, thick dust covering the room.*

*Standing in the living room facing the kitchen. Entryway to house is to the right and not shown in photo. Badly stained carpet.*

## Kitchen:

*Stepping forward from previous photo, into the kitchen. Appliances missing.*

*Turning to the right (east) from previous photo. Cupboards covered in dust.*

*Facing westward in the kitchen. Dust-covered windowsill shows example of how dusty the entire house was .*

**Front bedroom on north side of house:**

*Stepping forward (north) from the kitchen into the hallway (shown on right side of previous page).*

*Stepping forward from previous photo into the front bedroom (north side of property). Looking downward and to the left after entering the room, as discovered.*

**Master bedroom on south side of house:**

*(Located between the two doors shown on pages 17 and 25).*

*A 2" x 4" piece of lumber was bashed into the west wall.*

*Floor covered with insulation and debris.*

## Restroom on west side of master bedroom:

*Facing northwest in master bedroom. A chunk of wall is missing, and a cord is pulled out from it is strewn across into the room .*

*Looking into bathroom (after we swept the floor).*

*Stepping into restroom, looking downward and to the right.*
