

Reliable Street Inc presents

Open Mic & Poetry Slam

In 1914 the Farmers' Grain Company erected a mill in what is now west Ames. Although it closed in the 1960s, the buildings were purchased by [Reliable Street Inc*](#) and began being restored in 2020.

Come visit the historic Lockwood Cafe (inside the old building) to get your morning coffee and lunch, then see (and participate in!) awesome nightly events brought to you by Reliable Street!

[Reliable Street, inc. is a 501c3 non-profit corporation.](#)
